

## 2011 Animal Health Requirements For Exhibition

The following is a SUMMARY, and not a reprint of 2 CSR 20-2.040 Animal Health Requirements for exhibition regulations. Contact the Missouri State Veterinarian's office at (573) 751-4359 for clarification on the following:

1. Certificate of Veterinary Inspection/General Requirements.
  - A. All animals must have a Certificate of Veterinary Inspection or a paper copy of an electronic Certificate of Veterinary Inspection unless specifically exempted. The Certificate of Veterinary Inspection must show the number of animals(s) covered by the document, listing individual identification, the purpose for which the animals are to be moved, the points of origin and destination, the consignor and the consignee.
  - B. The Certificate of Veterinary Inspection is valid for thirty (30) days.
  - C. Animals with active lesions of ringworm or warts will not be permitted to exhibit and shall be subject to isolation and expulsion
  - D. Sales scheduled in association with exhibitions must employ a veterinarian to examine animals and process Certificate of Veterinary Inspection for change of ownership. The following are requirements for animals EXHIBITED in Missouri. Animal sold in addition to being exhibited must meet entry requirements of Missouri.
2. Exhibition requirements for Cattle in Missouri.
  - A. Intrastate (cattle in Missouri moving for exhibition only).
    1. No Certificate of Veterinary Inspection required.
    2. Brucellosis – no test or vaccination is required.
    3. Tuberculosis – no test is required.
  - B. Interstate (cattle from another state entering Missouri for exhibition only)
    1. Brucellosis -
      - A. Cattle from Brucellosis- Free States
        1. Certificate of Veterinary Inspection required with official individual identification for each animal listed.
      2. Brucellosis
        - A. Cattle from Brucellosis-free states.
          1. All cattle may enter without a brucellosis test.
          2. Steers. No test required but the steer(s) must be listed and identified on a Certificate of Veterinary Inspection.
        - B. Sexually intact cattle from Brucellosis Class A states. All test-eligible animals must be tested and negative within thirty (30) days prior to entry except –
          1. Cattle from a certified brucellosis-free herd. The certified herd number and date of the last herd test date must be listed on the Certificate of Veterinary Inspection; and
          2. Rodeo bulls from a Class A state must have a negative brucellosis test within twelve (12) months.
    2. Tuberculosis.
      - A. Beef – all beef breeding cattle six (6) months of age or over entering Missouri for exhibition only must meet one of the following requirements:
        1. Originate from a tuberculosis-free state.
        2. Originate from a tuberculosis-accredited free herd. The herd number and current herd date must be listed on the Certificate of Veterinary Inspection
      3. Test negative within sixty (60) days of exhibition.
  - B. Dairy – all sexually intact dairy cattle six (6) months of age and older entering Missouri for exhibition only must meet one of the following requirements:
    1. Negative to an official tuberculosis test within sixty (60) days prior to exhibition
    2. Originate from an accredited tuberculosis-free herd. The herd number and current herd test date must be listed on the Certificate of Veterinary Inspection.
3. Exhibition requirements for Swine.
  - A. Intrastate (swine in Missouri moving for exhibition only)
    1. No Certificate of Veterinary Inspection is required
    2. Brucellosis – no test required
    3. Pseudorabies – no test required
  - B. Interstate (swine from another state entering Missouri for exhibition only.)
    1. A Certificate of Veterinary Inspection is required. All swine must be identified by ear tag, ear notch, tattoo and individually listed on the Certificate of Veterinary Inspection.
    2. Brucellosis –
      - A. Breeding swine originating from brucellosis-free states may exhibit without a brucellosis test.
      - B. Breeding swine originating from a brucellosis stage II states must be tested negative within sixty (60) days prior to exhibition except breeding swine from a validated brucellosis-free herd. The validated herd number and the date of the last validating test must be listed on the Certificate of Veterinary Inspection.
    3. Pseudorabies –
      - A. Swine originating from a state classified as State VI the National Pseudorabies (PRV) Eradication Plan may exhibit without a pseudorabies test.
      - B. All other swine must be tested negative within sixty (60) days prior to exhibition except from a qualified pseudorabies-free herd. The qualified herd number and date of the last qualifying test must be listed on the Certificate of Veterinary Inspection.
4. Exhibition Requirements for Sheep.
  - A. Intrastate (sheep in Missouri moving for exhibition only)
    1. Sheep must be free of clinical signs of an infection or contagious disease.
    2. All sheep, including wethers, must be accompanied by a Certificate of Veterinary Inspection or a paper copy of an electronic Certificate of Veterinary Inspection showing official identification (ear tag, electronic implant, or registration tattoo) as defined in Part 79 of the Code of Federal Regulations. If electronic implants are used for identification, owner/manager must provide electronic implant reader.
    3. No test required.
  - B. Interstate (sheep from another state entering Missouri for exhibition only).
    1. Sheep must be free of clinical signs of an infectious or contagious disease.
    2. All sheep, including wethers, must be accompanied by a Certificate of Inspection or a paper copy of an electronic Certificate of Veterinary Inspection showing official identification (ear tag, electronic

implant or registration tattoo) as defined in Part 79 of the Code of Federal Regulation. If electronic implants are used for identification, owner/manager must provide electronic implant reader.

3. No test required.

5. Exhibition requirements for Goats

A. Intrastate (goats in Missouri moving for exhibition only).

1. Goats must be free of clinical signs of an infectious or contagious disease.

2. All goats, including wethers, must be accompanied by a Certificate of Veterinary Inspection or a paper copy of an electronic Certificate of Veterinary Inspection showing official identification (ear tag, electronic implant or registration tattoo) as defined in Part 79 of the Code of Federal regulations. If electronic implants are used for identification, owner/manager must provide electronic implant reader.

3. No test required.

B. Interstate (goats from another state entering Missouri for exhibition only).

1. Goats must be free of clinical signs of an infectious or contagious disease.

2. All goats, including wethers, must be accompanied by a Certificate of Veterinary Inspection or a paper copy of an electronic Certificate of Veterinary Inspection showing official identification (ear tag, electronic implant or registration tattoo) as defined in Part 79 of the Code of Federal regulations. If electronic implants are used for identification, owner/manager must provide electronic implant reader.

3. No test required.

6. Exhibition requirements for Equine.

A. Intrastate (equine in Missouri moving for exhibition only).

1. Equine that are to be exhibited must be free of clinical signs of an infectious or contagious disease. Any equidae showing signs of infectious or contagious disease at an exhibition may be excused by the official inspecting veterinarian. When an official inspecting veterinarian is present, all equidae will be subject to daily inspection.

2. A Certificate of Veterinary Inspection is not required.

3. All equidae (except nursing foals accompanied by their dams) must be accompanied by a current VS Form 10-11 or any officially recognized state EIA test chart showing the graphic description of all markings needed for identification, or microchip, or legible tattoo, or unique registered brand. A certified photocopy or certified facsimile of the VS Form 10-11 or any officially state EIA test chart may be accepted for the purpose of exhibition.

B. Interstate (equine from another state entering Missouri for exhibition only).

1. Equine that are to be exhibited must be free of clinical signs of an infectious or contagious disease. Any equidae showing signs of infectious or contagious diseases at an exhibition may be excused by the official inspecting veterinarian. When an official inspecting veterinarian is present; all equidae will be subject to daily inspection.

2. A Certificate of Veterinary Inspection is not required.

3. All equidae (except nursing foals accompanied by their dam) must be accompanied by a current VS Form 10-11 or any officially recognized state EIA test chart showing the graphic description of all markings needed for identification, or microchip, or legible tattoo, or unique registered brand. A certified photocopy or certified facsimile of the VS Form 10-11 or any officially recognized state EIA test chart may be accepted for the purpose of exhibition.

4. Alteration or substitution of any information on any VS Form 10-11 including certified photocopy or certified facsimile or any official copy of a Certificate of Veterinary Inspection shall cause the document to be invalid and in violation of sections 267.010 to 267.730, RSMo, and may result in civil penalties not to exceed ten thousand dollars (\$10,000) per violation and subject to expulsion.

5. A six (6) month passport from states with which there is a reciprocal agreement will be accepted in lieu of VS Form 10-11. These passports must have proof of a negative EIA test within thirty (30) days of the date of application of the passport and permanent identification for each horse by means of registered brand, legible tattoo, or microchip to be recorded on the passport and the VS Form 10-11 or any officially recognized state EIA test chart, along with other identifying characteristics. In the event of confirmed vesicular stomatitis in any of the states with which reciprocal agreements exist, use of the six (6) month passport will be suspended by the state veterinarian of Missouri.

6. Venezuelan Equine Encephalomyelitis (VEE) vaccination and entry permit is required prior to entry on equidae originating from states in which VEE has been diagnosed within the preceding twelve (12) months.

7. Any equine originating from a premise under quarantine for Vesicular Stomatitis shall obtain an entry permit and must include the statement on the Certificate of Veterinary Inspection that "the equine listed have been exposed to Vesicular Stomatitis or located within ten (10) miles of premises quarantined for Vesicular Stomatitis within the past thirty (30) days."

C. The board, organization or manager of each assembly or event is responsible for certifying that all equidae admitted or participating meet the regulations in this section and shall not admit or allow participation of equidae not so certified. Untested equidae shall not be allowed to congregate with other equidae. The owner of each animal shall comply with requirements 267.010 to 267.730, RSMo, and may be assessed civil penalties not to exceed ten thousand dollars (\$10,000) for each violation.

7. Exhibition requirements for Poultry and Waterfowl.

A. Intrastate (poultry and waterfowl in Missouri moving for exhibition only).

1. All poultry and waterfowl to be exhibited must be free of all clinical signs of any infectious and contagious disease.

2. No Certificate of Veterinary Inspection is required.

3. Pullorum-Typhoid test. All poultry (except waterfowl) exhibited shall be tested negative for pullorum-typhoid within ninety (90) days prior to exhibition or originate from a flock approved by the National Poultry Improvement Plan (NPIP) or an equivalent

program which has been tested within the past twelve (12) months with no change of ownership. This information shall be documented on a VS Form 9-2 (see 2 CSR 30-8.020) or similar certificate which shall accompany the poultry to the exhibition and shall be made available on request.

B. Interstate (poultry and waterfowl entering Missouri for exhibition only).

1. All poultry and waterfowl to be exhibited must be free of clinical signs of any infectious or contagious disease.
2. A Certificate of Veterinary Inspection is required.
3. Pullorum-Typhoid test. All poultry (except waterfowl) exhibited shall be tested negative for pullorum-typhoid within ninety (90) days prior to exhibition or originate from a flock approved by the National Poultry Improvement Plan (NPIP) or an equivalent program which has been tested within the past twelve (12) months with no change of ownership. This information shall be documented on a VS Form 9-2 (see 2 CSR 30-8.020) or similar certificate which shall accompany the poultry to the exhibition and shall be made available on request.
4. An entry permit is required.

C. Requirements for sponsoring exhibitions for Poultry and Waterfowl.

1. An official representing the person or organization sponsoring the exhibition shall notify the state veterinarian no later than thirty (30) days prior to the exhibition giving the names, place, inclusive dates and times of the event.
2. Record Keeping. The sponsor of the exhibition shall compile a list of all poultry and waterfowl present at the exhibition. The list shall contain the name and address of each owner, the number, species, breed, variety, type, sex and pullorum-typhoid status of all poultry present. A copy of this list shall be made available upon request to a representative of the department.
3. Inspection. All poultry and waterfowl to be exhibited must be free of clinical signs of any infectious or contagious disease. A representative of the department shall have access to the exhibits and may conduct inspections and tests as deemed necessary.

8. Exhibition requirements for Dogs and Cats.

A. Intrastate (dogs and cats in Missouri moving for exhibition only).

1. A Certificate of Veterinary Inspection is not required.
2. Dogs and cats four (4) months of age or older must be vaccinated for rabies by one (1) of the methods and within the time period published in the current Compendium of Animal Rabies Vaccines by the National Association of State Public Health Veterinarians, Inc.

B. Interstate (dogs and cats from another state entering Missouri for exhibition only).

1. A Certificate of Veterinary Inspection is not required.
2. Dogs and cats four (4) months of age or older must be vaccinated for rabies by one (1) of the methods and within the time period published in the current Compendium of Animal Rabies Vaccines by the National Association of State Public Health Veterinarians, Inc.
3. No entry permit is required.
